Database, including: Ranking, Not Recommended and Beyond the Horizon) for 90 days from the extension moment, access from one computer*</p> <p>In the case of withdrawal from the Agreement after requesting that the Service be performed before the end of the withdrawal period</p>	<p>8,500</p> <p>95 for every day on which the Service is used</p>	<p>10,455</p> <p>117 for every day on which the Service is used</p>
<b>First-time 90 days access to the database</b>	<p>Purchasing the service provides access to browse the whole database (M.I.S. Database, including: Ranking, Not Recommended and Beyond the Horizon) for 90 days from the first logging-in, access from one computer*</p> <p>In the case of withdrawal from the Agreement after requesting that the Service be performed before the end of the withdrawal period</p>	<p>10,000</p> <p>112 for every day on which the Service is used</p>	<p>12,300</p> <p>137 for every day on which the Service is used</p>

Name of the service	Description of the service	Net price [USD]	Gross price [USD]
<p><b>Extending the 90 days access by another 90 days</b></p>	<p>Purchasing the service provides access to browse the whole database (M.I.S. Database, including: Ranking, Not Recommended and Beyond the Horizon) for 90 days from the extension moment, access from one computer*</p> <p>In the case of withdrawal from the Agreement after requesting that the Service be performed before the end of the withdrawal period</p>	<p>5,000</p> <p>56 for every day on which the Service is used</p>	<p>6,150</p> <p>69 for every day on which the Service is used</p>
<p><b>Rapid Competitive Emerging Technology Report (rCTR)</b></p>	<p>A brief report presenting a rapid assessment of a given health technology's competitive potential, performed for a fee, commissioned by the Client and delivered in the form of an MS Power Point presentation; upon the Client's explicit wish and for an additional negotiable fee – also in the form of an MS Word document. Detailed conditions, including the anticipated subject and scope of the report are each time determined by the Parties in a separate written agreement.</p>	<p>11,100</p>	<p>13,653</p>

Name of the service	Description of the service	Net price [USD]	Gross price [USD]
<p><b>Full Competitive Emerging Technology Report (full CTR)</b></p>	<p>A full report on assessment of competitive potential of a given health technology performed for a fee and commissioned by the Client based on the rCTR (rapid) previously commissioned by the Client and prepared for the same health technology and the same indication. CTR (full) includes information on expected prices of technologies "beyond the horizon" (3-5 years before their registration or marketing authorisation in the European Union and the USA) and determines the budget impact of these technologies in the given market segment. CTR (full) is delivered to the Client in the form of an MS Power Point presentation and upon his/her explicit wish and for an additional negotiable fee – also in the form of an MS Word document. Detailed conditions, including the anticipated subject and scope of the report are each time determined by the Parties in a separate written agreement.</p>	<p>Approx. 35,000</p>	<p>Approx. 43,000</p>
<p><b>Customized landscape analysis (CLA)</b></p>	<p>A report presenting an assessment of competitive potential in a given market segment for a chosen health technology or a group of health technologies performed for a fee, commissioned by the Client and delivered in the form of an MS Power Point presentation and (upon his/her explicit wish and for an additional negotiable fee) also in the form of an MS Word document. The CLA report does not provide information on expected prices of competitive technologies at the early stage of research and development nor does it contain information on the budget impact they can cause upon entering the market. Detailed conditions, including the anticipated subject and scope of the report are each time determined by the Parties in a separate written agreement.</p>	<p>12,000 for a report in the MS Word version</p> <p>20,000 for a report in the MS Word version, MS Power Point version and a presentation during a meeting with the Client</p>	<p>14,760 for a report in the MS Word version</p> <p>24,600 for a report in the MS Word version, MS Power Point version and a presentation during a meeting with the Client</p>

Name of the service	Description of the service	Net price [USD]	Gross price [USD]
<b>Short report of competitive space (SRCS)</b>	A brief report pertaining to a competitive market segment for a particular health technology or a group of health technologies, based on the M.I.S. database, including an overview of competitive technologies entered into the M.I.S. database and their place in the Ranking as compared to the health technology which is the subject of the ordered SRCS. Detailed conditions, including the anticipated subject and scope of the report are each time determined by the Parties in a separate written agreement.	3,000	3,690

The Service Provider does not provide for any liquidated damages.

Prices are in United States dollars (USD), but the Client can pay in the Polish currency (PLN) or in euro (EUR) by calculating the amount due in these currencies using the average exchange rate published by the NBP (current exchange rates are published at [www.nbp.pl](http://www.nbp.pl)) for the day on which the bank transfer is made.

Depending on the selected currency, the payment should be made to one of the following bank accounts:

Bank ING

BIC/Swift: INGBPLPW

For payments in USD: PL 08 1050 1445 1000 0090 8004 0018

For payments in PLN: PL 35 1050 1445 1000 0090 3044 2462

For payments in EUR: PL 13 1050 1445 1000 0090 3044 2470

Table 2. Price list for Clients who are not Consumers
